

HONOUR TO MERINO STALWART

With many of the state's Merino Breeders in one room, there was a chance to celebrate the industry with drinks and a fashion parade by TAFE SA students after judging on the Wednesday night of show week.

It was also an opportunity to recognise those within the industry, with Merino SA life membership awarded to John Daniell, White River Poochera.

Merino SA president Ian Michael, Balaklava, said "Mr Daniell was a worthy recipient. He's been a fantastic Merino breeder for years but he has also spent time on the national and state committees, so we thought this was pretty fitting.

John has also been involved in judging at an international level, including trips to Argentina to judge Merinos".

CONTRIBUTION HONOURED: Merino SA president Ian Michael congratulates John Daniell, White River Poochera, on being awarded Merino SA life membership, a moment shared with John's wife Margaret and mother Marjorie.
